Texture is the character of a surface and is both tactile and visual. There are probably thousands of texture types; ranging from smooth or rough, to grainy and raised. Texture can even be created just by variations in color, shape and tone. Share with us your many layers of texture!

**NOTE:** There will be a section of the gallery dedicated to “touchable” art. If you would like your work to be included in this section, there will be stickers to mark it as such during take in.

All mediums invited. 2-D wall work and sculpture submitted should reflect the theme. Other work, e.g. jewelry, woodwork, and functional ceramics, is welcome and does not need to adhere to the theme. Open to all artists 18 years and older.

**ENTRY FEE: Members = \$45, Non-members = \$60**
